

Your participation and input is needed:

Lake Street Reconstruction Visioning Workshop

Monday, March 13, 2006

5:30 to 7:00 p.m.

Location: Bryant Square Park

(3101 Bryant Avenue South)

How will Lake Street look and function over the next 50 years?
Decisions are being made now. Help shape the future.

Thank you to **Topper's Pizza** (NW corner of Lake and Lyndale Avenue) who has generously offered to provide dinner for this gathering and to the **CARAG** neighborhood for their sponsorship.

Final designs for reconstruction of Lake Street will be completed this May. Please join us and bring your ideas. Community representatives need your input and voice!

How will Lake Street be safe for pedestrians and traffic?

How critical is on-street parking for businesses?

How will transit best function on Lake Street?

What are your questions and concerns as business and/or property owners regarding Lake Street reconstruction?

The Lake Street Reconstruction project area includes the intersection of Lyndale Avenue South, extending from 29th Street to 31st Streets. Background information and survey documents are posted for the community at the CARAG homepage www.carag.org and the 10th Ward Council website: www.ci.minneapolis.mn.us/council/ward10.
